

屏東事，就是屏大的事

Pingtung matters are National Pingtung University's matters!
Sustainable University, Resilience University, Future University

百年優良傳統 孕育嶄新大學

- 2014年整合國立屏東教育大學(創立於1940年)及國立屏東商業技學院(創立於1991年)。
- 台灣唯一一所兼具高教、技職與師培三大知識體系的綜合大學。
- 位於南台灣屏東市區，交通便捷，生活機能健全，臨近屏東科學園區、產業園區及農業生物科技園區。
- 七大學院、43個系所及學程，約360位專任教師，9000名學生。

A century of excellence fostering a pioneering university.

- National Pingtung University of Education and National Pingtung Institute of Commerce officially merged and became National Pingtung University (NPTU) on August 1, 2014.
- NPTU offers multiple educational tracks including higher education, teacher preparation, and vocational and technological education, allowing for interdisciplinary learning opportunities.
- NPTU is Located in downtown Pingtung, southern Taiwan, with convenient transportation and full living amenities, near the Pingtung Technology Industrial Park, Industrial Park, and Agricultural Biotechnology Park.
- There are seven colleges, 43 departments and programs, 360 faculty members, and 9,000 students.

榮譽 Honor

Sustainable Development Award

屏東大學從2021年起，連續3年獲得由台灣永續能源研究基金會(TAISE)舉辦的「TSAA台灣永續行動獎」，累計獲獎3金、5銀、2銅。在提升世界大學影響力方面，2023年「SDGs4優質教育」總排名為全球第42名、台灣第一名，更榮獲「國家永續發展獎」教育類獎殊榮肯定。

Since 2021, NPTU has won the "Taiwan Sustainability Action Awards (TSAA)" for three consecutive years. The university has accumulated 3 gold, 5 silver, and 2 bronze awards. In terms of enhancing global university impact, NPTU ranked 42nd globally and 1st in Taiwan for "SDG 4: Quality Education" in 2023. Additionally, the university was honored with the "National Sustainable Development Award" in the education category.

管理學院 College of Management

培養理論與實務並重的人才，除了專業課程訓練，並鼓勵、輔導學生考取專業證照，透過多元實習與模擬實作教學，提供大四全學年校外實習或專題製作，讓學生畢業即就業。

College of Management : To cultivate talent that emphasizes both theory and practice, in addition to professional course training, students are encouraged and guided to obtain professional certifications. Through diverse internships and simulated practical teaching, students are offered a full-year off-campus internship or project production during their senior year, equipping them for employment upon graduation.

國際學院 International College

為推動國際化，培養學生國際視野，下設東南亞發展中心、華語教學中心及新型專班，提供國內外學生修習各種跨領域專業課程，強化學生國際移動力及專業能力。

International College : To promote internationalization and cultivate students' global perspectives, we have established a SouthEast Asia Development Center, a Chinese Language Teaching Center, and iSMART programs. These centers provide both domestic and international students with access to various interdisciplinary professional courses, enhancing their international mobility and professional skills.

教育學院 College of Education

培育小教、幼教、特教、輔導諮商、行政領導、STEM教育等優質師資與人才。發展多元特色，推動學習輔助犬與大學USR計畫，兼融專業成長與學術研究，追求創新，展望國際。

College of Education : We aim to cultivate high-quality educators and professionals in elementary education, early childhood education, special education, counseling, administrative leadership, and STEM education. By developing diverse specializations and promoting initiatives such as service dogs for learning assistance and the University Social Responsibility (USR) program, we integrate professional growth with academic research, striving for innovation and an international outlook.

師資培育中心 Center of Teacher Education

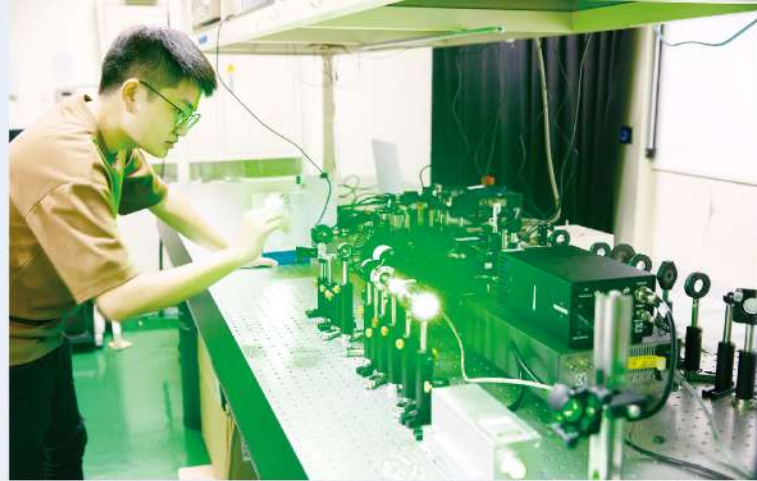

做為傳統師資培育大學，致力於培育卓越的幼教、小教和特教人才，以精進計畫、特色課程和大學社會責任為核心，提供豐富的國際見習與實習機會，執行史懷哲特色計畫，並與專業發展學校合作，持續研發創新，理論與實務結合，培育教育界未來領袖。

As a traditional teacher training university, we are dedicated to cultivating outstanding professionals in early childhood, elementary, and special education. Centered on excellence programs, specialized courses, and University Social Responsibility, we offer rich international practicum and internship opportunities. We implement the distinctive Schweitzer Program and collaborate with Professional Development Schools, continuously innovating to combine theory and practice in the preparation of future leaders in the education sector.

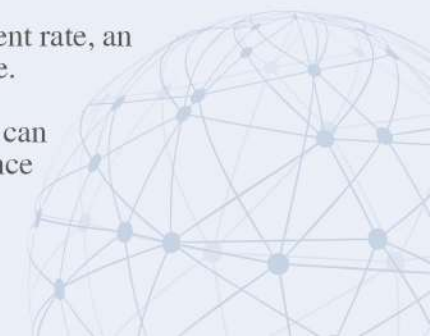

培育跨域多元學習國際化的人才

- 遍布全球5大洲200所姊妹校，進行學術交流，設置雙聯學位。
- 結合EMI教學，跨國移地教學。
- 彈性選課，鼓勵多元跨域學習，培養第二專長，有利於同學轉系、輔系、雙主修、學程專長加註等。
- 校內設置多項獎助學金，協助學生築夢，出國交換，拓展國際視野。
- 本校畢業生3年內就業率達95%，平均有4.5個工作機會，職場雇主滿意度高達96%。
- 推動產學合作，各科系學生均可到業界實習，強化實務能力，提高未來就業的優勢。

Cultivating interdisciplinary, diverse, and international talents.

- With 200 sister schools across 5 continents, we engage in academic exchanges and offer dual degree programs.
- Integrating English Mediated Instruction teaching and international Student Mobility.
- Flexible course selection encourages diverse and interdisciplinary learning, fostering a second specialty. This supports students in changing majors, pursuing minors, double majors, and adding program specializations.
- Multiple scholarships and grants are available on campus to help students achieve their dreams, study abroad, and expand their international perspectives.
- Within three years of graduation, our graduates have 95% employment rate, an average of 4.5 job opportunities, and 96% employer satisfaction rate.
- Promoting industry cooperation, students from all departments can intern in various industries to strengthen practical skills and enhance future employment prospects.

永續友善校園 設施完備

- 推動綠能環保，建構永續友善校園，公園化校園擁有豐富的生物多樣性。
- 五星級學生宿舍，可提供4千多個床位，成為學生第二個家。
- 體育設施完善，有風雨球場、游泳池、體適能館、國際足總FIFA認證的人工草皮足球場等。
- 圖書館館藏豐富，提供舒適的閱覽與學習討論的環境與設備。
- 本校藝文中心經常舉辦展覽，還有音樂系師生登台表演，鄰近屏東演藝廳和屏菸1936文化基地，有助於陶冶藝文氣息。
- 多元社團活動，培養具有社會關懷和生命熱情的優秀人才。

在地扎根 地方共榮

- 「屏東學」列為全校必修課程，鼓勵學生向土地學習，累積在地知識。
- 與屏東整體發展連結，走進社區與地方產業，發揮大學影響力。
- 自許成為屏東未來發展的Total Solution，善盡大學社會責任(USR)。
- 與在地鄉鎮成為推動地方創生的夥伴，致力打造地方創生品牌。
- 結合屏東發展、立足南臺灣、邁向全世界。

Sustainable and friendly campus with comprehensive facilities.

- Promoting green energy and environmental protection, we are building a sustainable and friendly campus. The park-like campus boasts rich biodiversity
- The five-star student dormitory offers over 4,000 beds, becoming a second home for students.
- The sports facilities are comprehensive, including an Sports Dome , a swimming pool, a fitness center, and a FIFA-certified artificial turf soccer field.
- The library boasts a rich collection, providing a comfortable environment and facilities for reading, studying, and discussions.
- Our school's Arts and Culture Center frequently hosts exhibitions and performances by the music department's faculty and students. Located near the Pingtung Performing Arts Hall and PT 1936, it fosters a rich artistic atmosphere.
- Diverse club activities cultivate outstanding individuals with social awareness and a passion for life.

Locally rooted, prospering with the community.

- "Pingtung Studies" is a required course for all students, encouraging them to learn from the land and accumulate local knowledge.
- Connecting with Pingtung's overall development, engaging with the community and local industries, and leveraging the university's influence.
- Aiming to become the Total Solution for Pingtung's future development and fulfilling the University's Social Responsibility (USR).
- Partnering with local towns to promote placemaking, dedicated to building a regional revitalization brand.
- Integrating with Pingtung's development, based in southern Taiwan, Paving the Way to the World.
